

The Belmont Food Collaborative appreciates your support of our work to improve the health of our community by increasing access to fresh, locally-produced food in a festive community environment.

Our most visible project, the Belmont Farmers' Market, is the main focus of our food assistance work. We match SNAP benefits (Food Stamps) for shoppers up to \$25 per week, and we're one of the few markets that match WIC and Senior Farmers Market Nutrition Program coupons. In 2022, this matching allowed shoppers to take home *more than \$26,000 in additional food* for their families.

We look forward to sharing your involvement with our community at the following levels.

Sustainer: \$2,000

- Your logo on the sponsors sign at the Belmont Farmers' Market
- Your company highlighted twice in Market newsletter with a profile and logo
- Your company's community involvement highlighted four times on our social media
- Your logo and a link on our sponsors webpage and in our newsletter
- A thank-you in one issue of the Market newsletter

Harvester: \$1,000

- Your logo on the sponsors sign at the Belmont Farmers' Market
- Your company highlighted twice in Market newsletters with a profile and logo
